

### March youth group report

Youth groups annual Beetle drive coincided with St. Patrick's day this year and attracted more of the 'the little people' than usual!

The games were fast a furious with the usual competitive edge and banging of drums.

Congratulations to the 'Natter Latters, in first place with a staggering 641 points!! (See end of report for full results).

The usual crowd were joined by a few unfamiliar faces, some you may just recognise under the funny green hats and fluffy beards as well as parents and members of the congregation- thanks to all who turned out, also for adding to the youth group funds via the raffle-well done Mathew.

## RESULTS IN FULL
