

**Digital TV Switchover Project – Meridian Region – starting February 2012  
Action in rural Sussex**

**Midhurst & Chichester  
Stakeholder Events**

- Action in rural Sussex are providing FREE briefing sessions to help explain the facts about Digital Switchover, and how we can help link your service users to helpful and supportive information.
- Action in rural Sussex can provide grants, materials, free training, support and guidance during the run-up to the Digital TV Switchover to organisations such as yourselves.
- Digital UK will be represented and on hand to also answer your queries.
- Are users of your services or members of your groups concerned about the Digital TV Switchover?
- Would you like to know more about it so you can share this with your clients and service users?

If you would like further information or you wish to book a place
