Whether you craft or sew, this is a place for doing your projects in company. Craft, ideas and sewing skills can be shared, as can the creativity of using things that we may have discarded or thrown away.

We are a friendly group of people of all abilities, who meet monthly in the lovely Tuppenny Barn at Southbourne.

Pop up café provides refreshments.

With lots of free exciting material, crafts and accessories to use and even starter packs to get you interested, come and join us and see what you think?
