

CHANE RA AGM 20th September 2018

Summary report.

This year's AGM an encouraging audience of 13 residents of the Parish, faced by 8 existing Committee Members.

The open meeting generated 3 new members to the Association, 2 of whom volunteered for positions on the new Committee.

Richard Weavis, who has occupied the Chair for 2 years, had earlier announced that he would be stepping down.

He thanked John Letheren, who also stepped down as Treasurer.

John has been a conscientious and meticulous Treasurer for the Residents' Association for as many years as anyone can remember. His accounts have always been immaculate ... without the aid of a computer!

David Rodgers, a long-time resident and enthusiastic supporter of HDRA, (which became CHANE in 2016,) reluctantly accepted the Chair, and David Parkin, a relatively new resident, stepped up as the new Treasurer.

There was one very important matter we overlooked ...

VOTE OF THANKS TO THE OUTGOING CHAIRMAN!

Well done and thank you, Richard, for steering us through the last 2 years.
