Land North of Good View, Prior Leaze Lane, Hambrook, Chichester

Erection of 1 no 3 bedroom house

The Parish Council objects to this planning application for the erection of 1 no 3 bedroom house on this plot of land. It is considered that the footprint of the proposed property is too large for the site and that a smaller single storey bungalow or chalet bungalow would sit better on the site and dominate its surroundings less. Serious concerns were raised in respect of the proposed access from the site onto Prior Leaze Lane. It was felt that for safety reasons this access would be better onto the lane on the southern side of the site. If a property was to be built on this site then it was considered that existing screening from trees and hedging should be retained as far as possible around the whole perimeter of the site instead of removal of the same and replacement with timber fencing as detailed in this planning application. This to be part of an overall landscaping of the site. Currently the site could be considered to be a “small green oasis” in a fairly built up area. The Parish Council would also wish to see surface and wastewater surveys undertaken to determine the suitability of the site. The site is surrounded by ditches with a large storm drain to the western side and the Parish Council feels it would also be necessary to determine whether any proposed development would compromise this existing drainage system.

Retrospective part change of use of two storey garage/store to ancillary residential living area and associated works

Chidham & Hambrook Parish Council retains its objection to this planning application. It also wishes to note that the information given in the documents supporting this planning application regarding the proposed use of the converted garage is conflicting. The Parish Council seek clarification as to whether the proposed use of this building is as ancillary accommodation to the main house as stated in the planning application itself, for holiday lets, or for longer term letting. All these different uses are referred to at some point in the documentation. It considers it is essential that the intended use is clarified before accurate consideration of this planning application can be made.

**110.17 Planning Appeals**

There were no planning appeals.

### **111.17 Planning Decisions**

The CDC Planning Decisions made since the last Parish Council Planning Committee Meeting were noted.

### **112.17 Chairman's Report**

The Planning Committee had been asked by the Planning Officer to reconsider this planning application in light of the revised plans and heritage statement submitted by the developer:

#### **16/04148/FUL**

Flat Farm Broad Road Hambrook Chidham PO18 8RF

Demolition of existing dwelling and associated outbuildings and construction of 11 no. new dwellings.

Case Officer: Rhiannon Jones

Chidham Parish Council withdrew its previous objection to this development in light of the revised plans and heritage statement.

Concerns did still remain however about the density of the development, layout, number of parking spaces and the closeness of the whole development to the overhead pylons.

### **113.17 Date of Next Meeting**

It was noted that the next Planning Committee meeting would be on Tuesday 16<sup>th</sup> May at 7.00 pm in Chidham & Hambrook Village Hall.
