0120-18 **Vision for Business Plan**

The Chairman reported back on the informal meeting of parish councillors held on 6 November 2018 when the business plan and CIL projects were discussed. A draft vision had been circulated in advance of this meeting for comment. Once agreed the vision would be included in the Council's Business Plan, immediately after the introduction.

IBP/601 would require rewording as follows: Improve public footpaths to give residents better access to the countryside, particularly in Hambrook.

The final version of the vision would be on the agenda for the next Parish Council meeting on 6 December 2018 for approval.

Resolved that the future Projects, as itemised in the Chidham & Hambrook Infrastructure Business Plan (IBP) be inserted into the CDC draft Infrastructure Business Plan with just one alteration that IBP 601 (Footways) be made a Priority.

0121-18 **Any other Business**

Cllr A Collins provided an update on the ELD Harbour Way planning application. The CDC lawyer was currently considering a response following receipt of the final QC's decision and he had received an initial response that CDC would be minded to refuse the application. Mr Collins had not removed the red card as requested by CDC as he was waiting until the full wording of the decision was in public. The final decision, should the application be granted, would be taken by the Planning Committee on 19 December 2018 under the red card process.
