

THE BIG CLIMATE FIGHTBACK! PLANT A TREE
Grab your spade and join the day of tree-planting action.
30 November is Tree Charter Day.

The **Woodland Trust** is throwing a nationwide tree party – and they need you to join in. The national target is a million Britons pledging to plant – let's see how many people in our Parish we can get to be part of that million!

You can find out about the Tree Charter Day at:

The Parish Council will be planting trees on Hawthorne Meadow and Pynham Meadow, in Broad Road. This will happen just as soon as the ground is properly prepared and this will take some time - but **you** could plant a tree on 30 November **this** year, if you have the space.

Let's be the best tree-planting parish in the district!
