

Formal responses from Chidham and Hambrook Parish Council

CH/20/01019/DOM Cut Mill House, Cut Mill Chidham PO18 8PS

The Parish Council would object to this planning application and comments as follows:

- The 5 metre buffer around the proposed tennis court is not identifiable.

Should the Planning Authority be minded to approve this application we would request the following conditions:

- Particular attention should be given to keeping the Chalk Stream clear at all times of construction.
- The application should strictly adhere to all conditions on the Environmental Strategy Unit's response.
- no lighting is installed around the tennis court in adherence to the Dark Skies policy and in consideration of the abundant wildlife in the area.-

CH/20/01137/PA1A Swallowfield Drift Lane Bosham Chichester

The Parish Council has no objection to this planning application but would comment as follows:

- adherence to the Dark Skies Policy to be maintained
- The Council is also concerned regarding ecological issues as the development is within a wildlife corridor and therefore the biodiversity of the site must be safeguarded.
