

Formal responses to planning application lists 29-31

CH/20/00619/FUL

Moffatts Broad Road Hambrook Chidham

No objection and no comment to make.

CH/20/01745/PNO

Land on the East Side of Cot Lane Chidham PO18 8SP

Object strongly to this application and would comment as follows:

- concern re width of access and its suggested location which is too close to the junction, the lay-by and pub where cars are parked and the roads narrow; thee existing opening is wide enough for agricultural vehicles
- concern re type of machinery using this access
- agree with the suggestion that a complete extended habitat survey given the age of the site should be progressed which would ensure protection of wildlife in the orchard
- agree with CDC comments on diversity and wildlife

CH/20/01758/DOM

54 The Avenue Hambrook Chichester

No objection and no comment to make

CH/20/01849/TPA

3 Potters Corner The Avenue Hambrook Chichester

No objection but would comment as follows:

- photos need to be provided before and after the suggested work
- we need to know of any structural damage issues and the impact on property

CH/20/01209/FUL Grey Thatch, Harbour Way – replacement of like for like jetty

No objections but would comment as follows:

- subject to sensitive timing of the work required
- support all planning conditions suggested by Chichester Harbour Conservancy.
